Welcome to Hunan Garden. Please relax, make yourself comfortable and allow us to serve you. Our goal is to offer the highest quality food at a reasonable price in a pleasant atmosphere. We believe in strict quality control, and therefore, only the finest and freshest meats, poultry, seafoods, and vegetables are permitted on the table.

We will do our utmost to give you the best service and food. If you are served anything that does not please you, do us a favor and send it back.

For us, hospitality means a warm welcome and excellent service. It also means doing something extra and providing the special touches that can make dining out the real pleasure it should be.

SUGGESTIONS FOR ORDERING

The traditional Chinese dinner is served family style, with a variety of dishes selected to offer a well-balanced, delicious, and nutritious meal.

To plan your dinner, select a soup, vegetables, meat, poultry, seafood, and rice dishes, ordering more or fewer items to suit your personal taste, appetite, and number of persons in your party. Generally, one order will serve one to two people, a double order will serve from four to six persons, depending on the appetites of the diners and the total number of dishes ordered. Appetizers, desserts and wine can be included and will compliment any Chinese meal. The key word is variety. Be adventuresome, use your imagination. An infinite number of different dinners can be created from different combinations of menu selections for your dining convenience, preselected complete dinners are listed on this page below. Special banquet menus for groups of eight or more can be arranged in advance for those special occasions. Our manager will be happy to discuss banquet arrangements with you.

May I wish you good health and good dining always.
